

Hello Whitehall Members,

Our gates are open for the 2022 season! We are beyond excited for a season packed full of social events and athletic offerings. We are ready for a fun summer at Whitehall and hope you are too!

We welcome back our manager, Frank Baxter, and his management team of Erica Baxter (assistant manager), Lindsey Miller (head guard), and Rita Weinand (head guard). We also have a wonderful and eager group of returning and new lifeguards, gateguards, and maintenance staff. Ashling's Kitchen and Bar has returned to run our snackbar. Our swim team continues to be led by Teri and Annie Hayburn, our water aerobics program is led by Kim McDermott, our tennis program is under the direction of Reggie Wilson, our dive team is coached by Kelly Murray Carey, and our yoga program is led by Jeanne Dillon-Williams.

We have a couple of general reminders and notices for the season which are listed below:

- Visit our website at www.whitehallpool.net to re-familiarize yourself with our rules and guest and party policies.
- Basketballs, volleyballs, ping pong equipment, pickleball equipment, and kickboards will be available for use. You are welcome to bring your own too.
- Please take all belongings, including baby pool toys, home with you after each visit as anything that is left will be thrown away.
- No eating on the pool deck. Please enjoy your food in the snackbar, grassy, and picnic areas.
- Whitehall continues to be a smoke free property. This includes no smoking in the parking lot or by the red benches at the entry way.
- We strongly recommend all members and their guests to follow the attached CDC recommendations for COVID.

- Snackbar:
 - We are *extremely* lucky to have a snackbar and a company that is willing to run it. Please be mindful and respectful of the fact that we have a younger group of staff members working in the snackbar.
 - Menu items were selected based on top sellers from last season. Also due to the higher prices and/or lack of inventory for particular food products, certain items were kept off of the menu this season.
 - Should you have constructive feedback for the snackbar, please email info@ashlingco.com
 - Please keep in mind that we do offer grills for our members to use. If you are craving an item that is not available, please take advantage of this offering.

We have a new check in system at our front desk this season and we appreciate your patience as we navigate through this and input all of our member data. If you haven't already done so, please complete a new membership form and bring it to the pool with you.

Our tennis courts numbered 1-3 will be resurfaced and repainted in the near future. The colder temperatures and rain in April and May have delayed the completion of this project. We ask that when using the tennis courts to please follow the rules outlined on the sign at the tennis courts. Please also review these rules with your children and guests.

We hope to see all of our new and returning members at the Club very soon if you haven't already visited us this season. We do have memberships available so please spread the word to your family and friends about the BEST pool in Bowie. Don't forget to check out our referral program on our membership page. Please direct any general questions, comments, or constructive feedback to wptcboard@gmail.com.

Here's to a great season at Whitehall Pool and Tennis Club!
